

T Rex

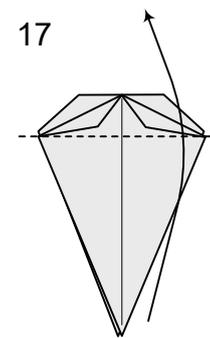

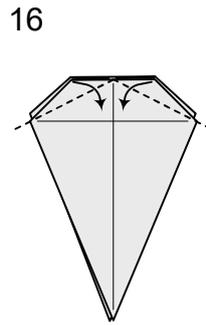

Petal fold

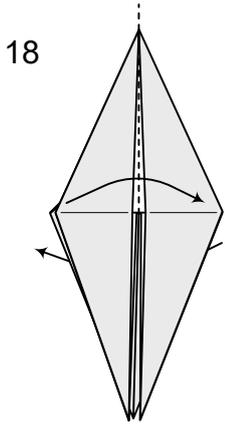

After lifting the corner, allow the sides to come and flatten

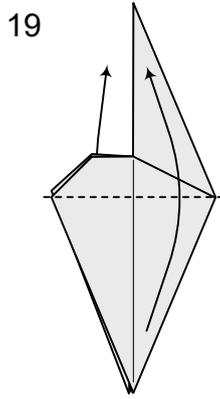

Sink

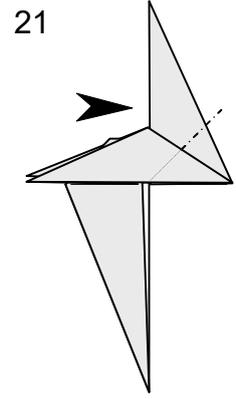

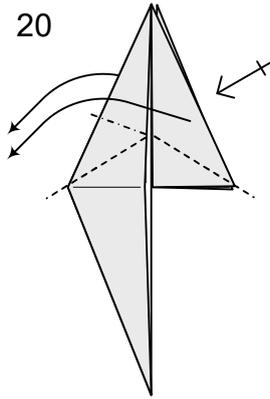

T Rex

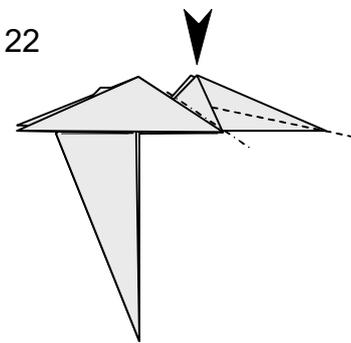

Valley fold one layer, in front and behind

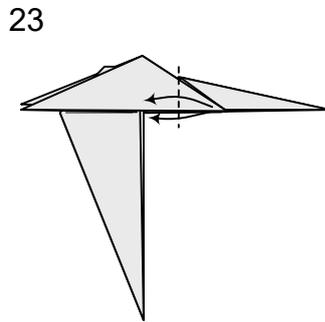

Rabbit ears

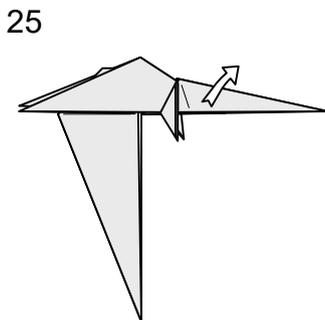

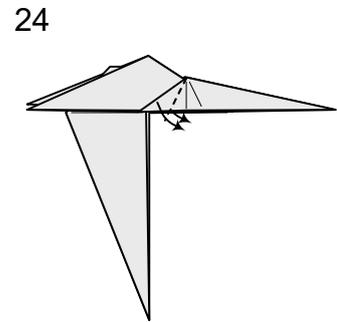

Inside reverse fold

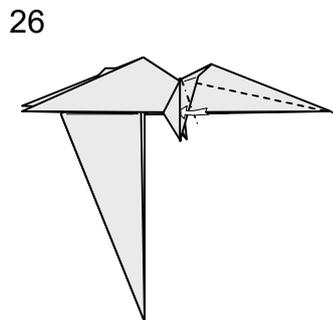

2 more inside reverse folds

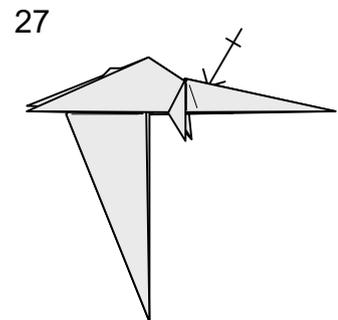

Valley fold the points as far as they will go

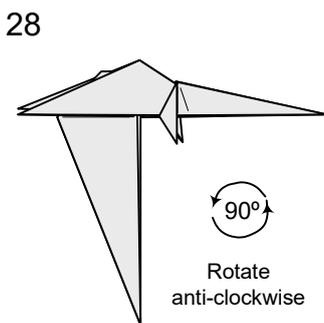

Lift 1 layer, do not flatten

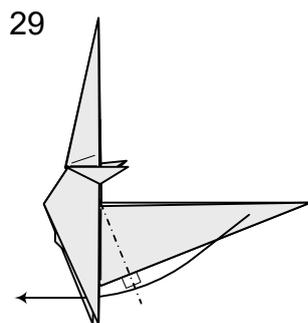

Fold back down and tuck into the pocket

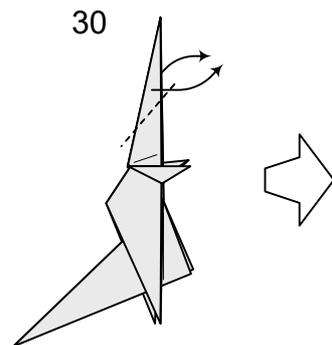

Repeat steps 25-26 behind

90°
Rotate
anti-clockwise

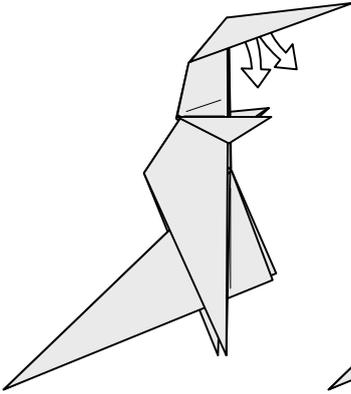

Inside reverse fold

Outside reverse fold

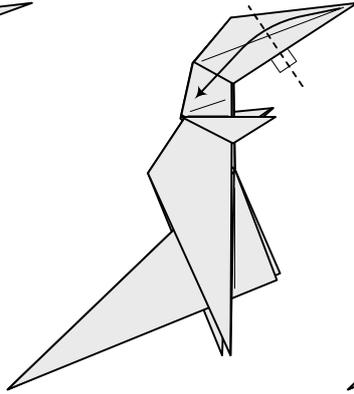

T Rex

31

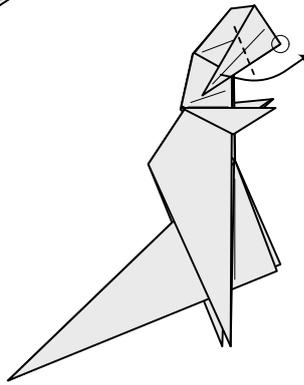

Pull out a hidden layer on each side to make the head wider

32

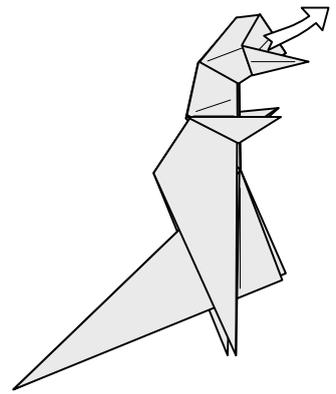

Valley fold the head

33

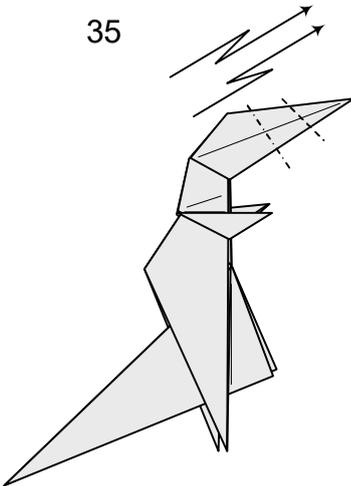

Valley fold the jaw so the top of the jaw passes the circled point

34

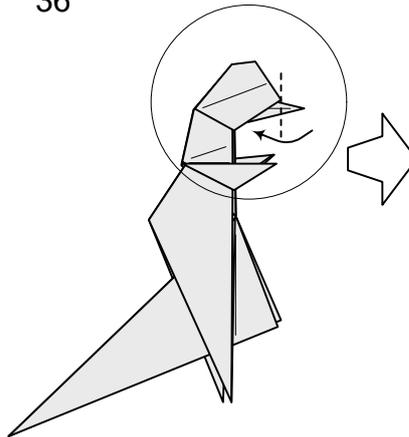

Unfold back to step 32

35

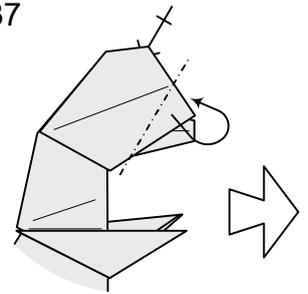

Use the creases we just made to double reverse fold the head

36

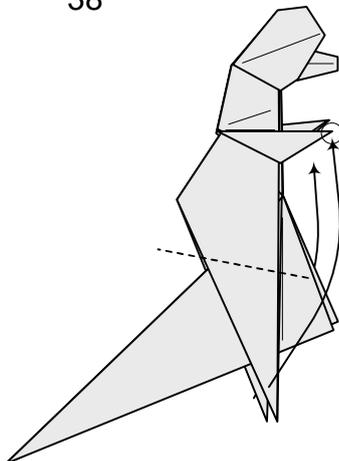

Fold the tip inside to complete the jaw

37

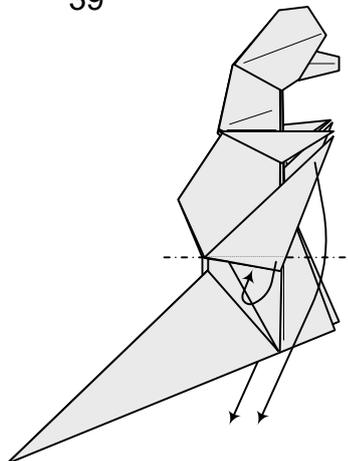

Mountain fold to expose more of the jaw (repeat behind)
